Ship Highlights

Celebrity Edge marked a turning point in ship design. From the Magic Carpet, the world's first cantilevered venue, to the private plunge pools, Celebrity has created the most refined ship at sea. You'll never feel more connected to the ocean and the destinations you'll visit than aboard Edge. It takes luxury, culinary experiences, and service to a whole new level.

Cruise Highlights

You'll be immersed in nature at every point of your Alaska cruise. Vast, icy blue-white glaciers inch their way to the sea as jagged, snow-capped mountain peaks pierce the sky. Bears prowl rock-strewn waters in search of plentiful salmon and bald eagles perch watchfully in the treetops of pristine, old-growth forests. Prepare for a thrill as you approach the head of the 30-mile Endicott Arm Fjord to face Dawes Glacier, a 600-foot-tall wall of ice.
